

OUTDOOR ZONES

EXT. 5 EXT. 6

- ◆ Buildings & Concrete Industry
- ◆ Lifting, Handling & Transportation
- ◆ Roads, Minerals & Foundations
- ◆ Earthmoving & Demolition

EARTHMOVING & DEMOLITION

HALL 4 HALL 5a HALL 5b HALL 6

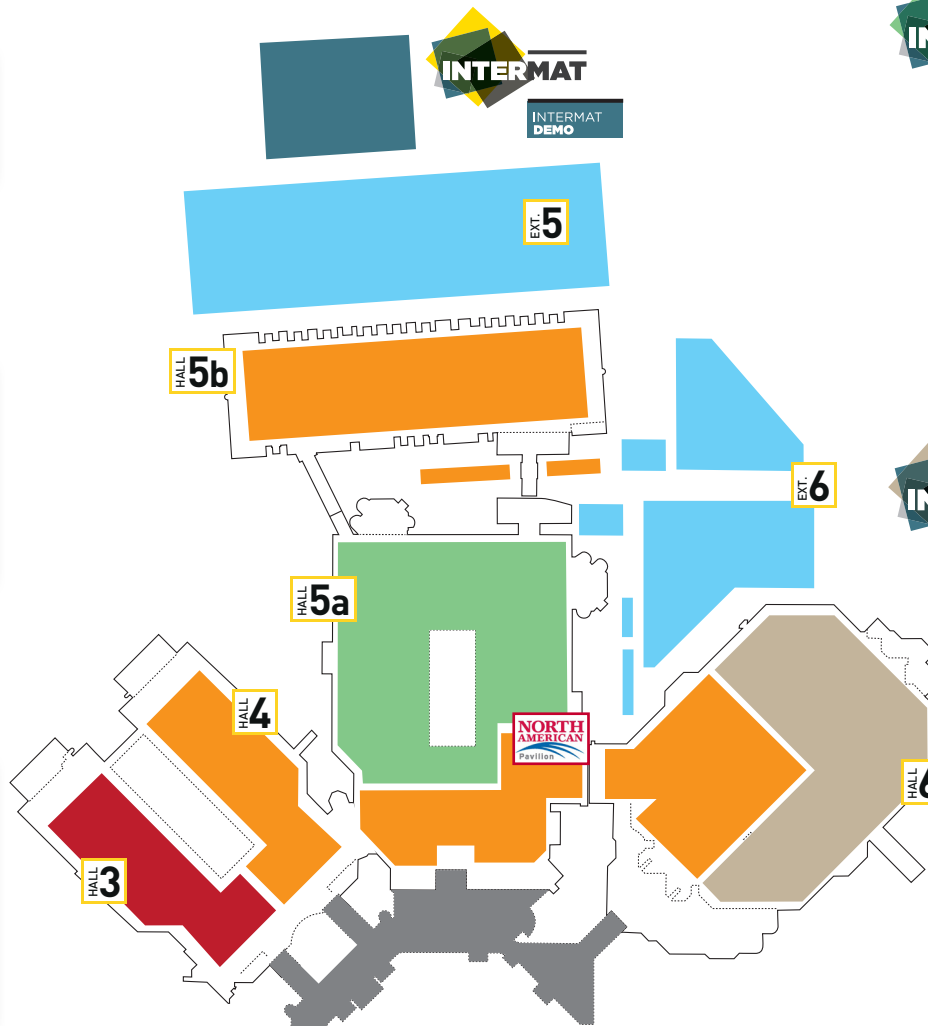

- ◆ Machines & equipment for earthmoving and civil engineering
- ◆ Machines & equipment for demolition, environment & recycling
- ◆ Accessories, components, parts for earthmoving and demolition
- ◆ New technologies for earthmoving & demolition

LIFTING, HANDLING & TRANSPORTATION

HALL 3

- ◆ Material handling and lifting equipment and machinery
- ◆ Vehicles & equipment for materials transportation
- ◆ Vehicles for passenger transportation (LCV)
- ◆ Accessories, components, parts for lifting & transportation
- ◆ New technologies for lifting, handling & transportation

Non-contractual plan

ROADS, MINERALS & FOUNDATIONS

HALL 5a

- ◆ Equipment & materials for road infrastructure /maintenance
- ◆ Machines and equipment for minerals industries
- ◆ Drilling, boring, special foundations, trenching machines
- ◆ Topography, new technologies, engineering, automatic systems
- ◆ Accessories & components for roads, minerals and foundations

BUILDINGS & CONCRETE INDUSTRY

HALL 6

- ◆ Concrete industry 
- ◆ Formwork & Scaffolding
- ◆ Site equipment & tools
- ◆ Materials for building and construction
- ◆ Accessories, components, parts for buildings
- ◆ New technologies for buildings

THE ENTIRE CONCRETE INDUSTRY MAKES A STAND AT INTERMAT & WOC EUROPE!

- ◆ Materials, equipment and facilities for pre-cast and ready-mix concrete,
- ◆ Innovative solutions in special concrete and New Technology..
