ABOUT AOG ENERGY

Bringing together the entire supply chain for over four decades, AOG Energy celebrates innovation across the entire energy landscape. Supported by major operators, government, and industry leaders, AOG Energy is strongly positioned as the leading supply chain event for all energy projects.

It's the industry platform to reconnect, converge and have meaningful conversations about the energy evolution.

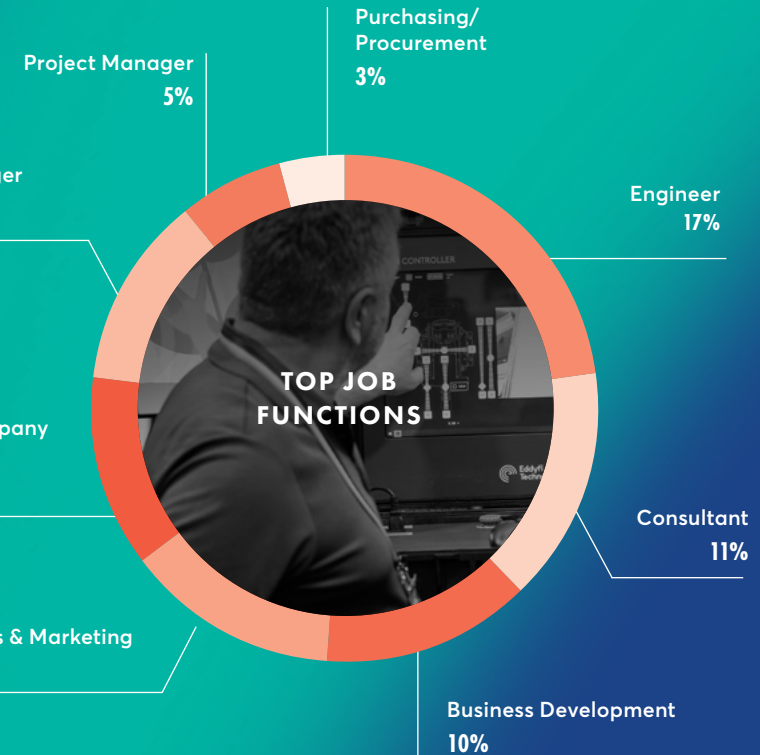

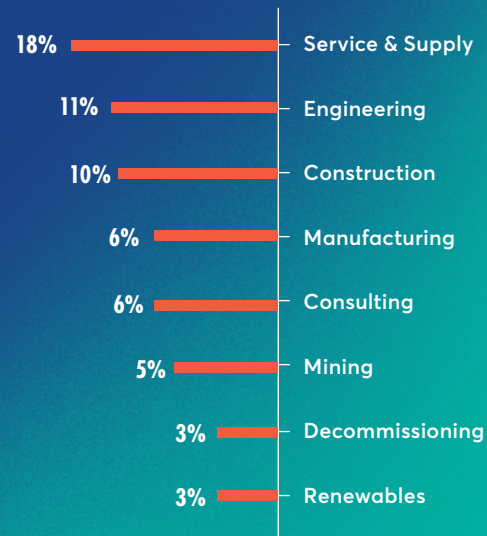

OUR AUDIENCE

From Company Directors and Senior Managers, to Engineers and Project Managers, AOG Energy is the industry platform that connects the entire supply chain.

Our loyal visitors seek out AOG Energy annually, determined to find solutions and opportunities that are shaping the future of the industry.
