Join the World's Premier Events for the Agriculture & Horticulture Industries

As you look to bolster your sales abroad, this premiere line-up of events offers opportunities to impact the future of the global agriculture and horticulture industries. With high interest in sourcing international innovation to meet the needs of the world's crop and food production, these proven exhibitions will help you strategically target markets in South America, Europe, the Middle East, and Asia.

Whether you're new to exporting or a seasoned, well-traveled veteran, IMEX will assist you throughout the entire exhibition process: preparation, on-site execution, and post-show.
