

# 50 Years of Food & Friendship

June 21-22, 2022

## U.S. EXHIBITOR DIRECTORY

Dear Participating U.S. Companies,

We would like to extend a warm welcome to our U.S. exhibitors participating in the Virtual Market Showcase: "50 Years of Food & Friendship". Our goal is to help you establish contacts, increase agricultural trade from the United States to Bangladesh, and provide education and insights so that you are well-positioned to continue working in the Bangladeshi market well after our event concludes. During the Virtual Market Showcase, you will have the opportunity to meet face to face with established Bangladeshi importers through virtual business-to-business meetings.

Bangladesh is the world's eighth most populous country, located at the crossroads between South and Southeast Asia. With historic levels of economic growth for more than the past decade, Bangladesh is a critical driver of regional and global economic development. Though most of Bangladesh's population still belongs to low-income households, household consumption and disposable incomes are growing steadily as Bangladesh recovers economically from the COVID-19 pandemic. With GDP per capita eclipsing that of India and Pakistan, Bangladesh has a growing urban, middle class that is shifting its consumption patterns to higher value products, focusing on healthy and nutritious foods. In addition, more than half of Bangladesh's population is under 30 and likely more open to new eating habits as consumer spending on food and restaurant dining is increasing.

We are very excited to host this event and feel confident that this virtual opportunity will provide a platform for you to connect with the region, explore business opportunities, and advance your export goals.

Please do not hesitate to contact us at [FrancicMM@state.gov](mailto:FrancicMM@state.gov) or [AgDhaka@usda.gov](mailto:AgDhaka@usda.gov). We stand ready to provide you with the information and support you need to succeed in this virtual market showcase.

Sincerely,

Megan Francic  
Agricultural Attaché  
U.S. Embassy, Dhaka, Bangladesh
