Makers / Techies

Leaders & Decision Makers

## WHY BANGKOK?

- **Geographical location:** Thailand and especially Bangkok as gateway between the East and West
- **Growing Digital Economy:** Significant growth of digital economy, e.g. rise of smartphone or e-commerce activities
- **Infrastructure Development:** Large investments, e.g. advanced telecommunication networks and data centers
- **Business Development:** Business environment with a mix of multinational corporations, startups and tech companies
- **Skilled workforce:** Introduction of programs and courses focused on cybersecurity from universities
- **Government initiatives:** Implementation of various initiatives of cybersecurity from the Thai government
- **Tourism and international connectivity:** Bangkok as a major tourist destination and transportation hub
- **Regional collaboration:** ASEAN works towards regional cooperation in cybersecurity policies and initiatives

## ABOUT VNU ASIA PACIFIC

VNU Asia Pacific is part of VNU Group, a globally operating exhibition company with offices in Utrecht, Shanghai, Bangkok and consolidates the international exhibition business of Royal Dutch Jaarbeurs. In Southeast Asia, Jaarbeurs formed a Joint Venture with TCC Group, a leading corporate conglomerate in the fast-growing region. From its business hub located in Bangkok, VNU Asia Pacific covers all key exhibition markets in South East Asia. VNU Asia Pacific has a constantly expanding portfolio with currently 19 trade shows and event formats both online and face-to-face platforms including brands from the AgriTech, Animal Husbandry, Animal Companion, Food, Life Sciences, Biotechnology, 5G and IoT.

# JOIN CYBERSEC ASIA | SHIELD YOUR CORE

## Mission

Community Building, Knowledge Platform: Our mission is to foster a secure digital ecosystem by bringing together cybersecurity experts, industry leaders and government representatives to collaborate, educate and share knowledge in order to mitigate cyber threats and promote cyber resilience in Thailand, the CLMVT region and APAC.

## Vision

Bangkok as premier hub for cybersecurity: Our vision is to establish Bangkok as a premier hub for cybersecurity in the region, providing a platform for thought leadership, innovation and collaboration. By organizing this event, we aim to enhance cybersecurity awareness, promote best practices and facilitate the development of robust cybersecurity solutions that address the unique challenges faced by organizations operating in Thailand, the CLMVT countries and across Asia Pacific.

## Our Visitors

Visitors at Cybersec Asia are mainly IT professionals and can be divided in the following groups:

### Leaders & Decision Makers

C-Suite | IT director | Head IT | Head Digital transformation | CISO | CIO | CDO | Owners

### Influencers

IT Manager | Network Manager | Solutions Architect | Enterprise Architect | Business Analyst | Information Security

- 5G Network Security
- Smart AI Security Solutions

## Human Firewall

- Social Engineering Prevention
- Cybersecurity Best Practise
- Employee Powered Security Services
- Phishing Simulation

## Cloud & Infrastructure Protection

- IT Governance Strategy
- Multi-Cloud Security
- Remote Work Security
- S/I/PaaS Security

## Data Protection & Privacy

- Data Protection Regulations
- Data Loss Prevention
- Data Protection Technologies
- Data Privacy Guidelines

## Identity & Access Management

- Identity Management
- Digital Identities & Authentication
- Access Control (SSO, MFA, PSK, Biometrics, Priv. Access)
- Identity Protection

## Resilience & Recovery

- Information Security Policies
- Vulnerability Monitoring & Security Monitoring
- Incident Response Management
- Business Continuity Management

## Web3 Security

- Blockchain Analytics
- KYC Verification
- Smart Contracts Audit
- Decentralized Systems

## Cyber Compliance

- Risk Governance
- Regulatory Cybersecurity Compliance Framework
- Data Breach Penalty Prevention
- Incident Response Plan

# QUEEN SIRIKIT NATIONAL CONVENTION CENTRE

(QSNCC) is a prominent convention and exhibition center located in Bangkok, Thailand. It is named after Queen Sirikit, the queen consort of King Bhumibol Adulyadej (Rama IX) of Thailand.

The convention center boasts state-of-the-art facilities and infrastructure, designed to accommodate various types of events. Its main building consists of several halls and exhibition spaces, offering a total area of approximately 78,500 square meters. The facility includes a grand ballroom, meeting rooms, conference rooms, exhibition halls and a variety of support services such as catering, audiovisual equipment, and event management.
