1st Edition of Food & Drinks Malaysia by SIAL 2023 Marks First Successful Milestone

The first edition of Food & Drinks Malaysia by SIAL took place from 4 – 6 July 2023 at the Malaysia International Trade & Exhibition Centre (MITEC), Kuala Lumpur. The three-day trade fair attracted over 8,000 trade visitors from 46 countries, featuring 450 local and international brands from 22 countries.

The exhibition area featured several international pavilions from China, India, Korea, Turkey, and local pavilions led by government agencies and business groups, such as the Ministry of Agriculture and Food Security (MAFS), Majlis Amanah Rakyat (MARA), the State Development Corporation of Selangor (PKNS), and the Malaysian Business Group (MBG).

The Food Conference and the Regional Halal Forum held alongside the exhibition also provided visitors a platform to discover the latest trends and topics that are shaping the industry.

Food & Drinks Malaysia 2023 by SIAL was supported by the Malaysia Convention & Exhibition Bureau (MyCEB), with Sin Chew Daily and World of Buzz as Official Media Partners, and AirAsia Ride as Official E-Hailing Partner.

Industry-driven Conference Sessions & Forums

Food Conference : The Next Frontier

Under the theme "THE NEXT FRONTIER," the Food Conference delved into the exploration of disruptive protein technology as a sustainable solution for food. Mr. Nicolas Trentesaux, CEO of SIAL Network, presented the Kantar Food 360 SEA Insights report in partnership with Kantar Malaysia, revealing the latest market insights. The speakers highlighted business prospects in the protein-based food market, discussing advancements in food science, market trends, and consumer demand.

The two-day event covered industry topics as follows:

- Revolutionizing the Future: Unleashing the Potential of Protein Technology
- Captains of the Industry
- Investment Opportunities
- Innovation in Alternative Protein
- Scale-up & Commercialisation
- Penetrating the Malaysian Market

Industry-driven Conference Sessions & Forums

Regional Halal Forum

The Regional Halal Forum, in partnership with the International Halal Consultancy and supported by esteemed organizations including the Australian Federation of Islamic Councils, the Halal Standard Institute of Thailand, SCCI Indonesia, the Halal Development Corporation of Malaysia, and Japan Halal Association, convened influential country representatives from the Asia Pacific region. The forum provided a platform for sharing knowledge and insights on halal legislation, certification processes, and the distinctive halal transformation map of each participating country.

We would like to extend a heartfelt thanks to the Halal Development Corporation Berhad (HDC) and the CEO, Mr Hairol Ariffein Sahari, for their gracious presence and unwavering support throughout our show. We also like to express our deep appreciation to all our esteemed speakers :

- Dr Rateb Jneid (Australia)
- Mr Hairol Ariffein Sahari (Malaysia)
- Mr. Mukti Wibowo (Indonesia)
- Ms. Hind Hitomi Remon (Japan)
- Professor Dr. Pakorn Priyakorn (Thailand)

The Future of Food & Agriculture

Thanks to the collaborative efforts of Impact Circle, Thought For Food, Innovate 360, Iskandar Investment, Selangor Information Technology & Digital Economy Corporation (SIDEK), Malaysian Research Accelerator for Technology & Innovation (MRANTI), Malaysia Digital Economy Malaysia (MDEC), and our innovators, we achieved great success in shaping the Future of Food & Agriculture segment at Food & Drinks Malaysia by SIAL 2023. Special thanks to Ms. Melissa Ong, the Group CEO of Impact Circle, for driving this success.

Attendees had the opportunity to connect with leading exhibitors driving sustainable advancements in food production, agriculture, and global food security. The event showcased cutting-edge ideas and technologies, from vertical farming to precision agriculture, all contributing to a more sustainable future. Participants fostered collaborations and explored potential business opportunities to accelerate their ventures.

Pre-Show Marketing

Three Months, Three States

In our endeavors this year, we launched a series of roadshows with the primary objective of acquainting Food & Drinks Malaysia by SIAL 2023 with F&B industry players across every state. Our key objectives were as follows:

- To foster brand awareness among the F&B industries in diverse locations across Malaysia.
- To establish connections with local F&B players and conduct comprehensive market surveys.
- To facilitate networking opportunities specifically tailored for our esteemed early exhibitors.

Exclusive in-house events

MoU signing ceremony with AIDK

A Memorandum of Understanding signed between Animal Industry Data Korea (AIDK) and leading players in the poultry supply chain such as Jaya Grocer, Food Foundry, Fong Cheng, Koperasi Serbaguna Malaysia Berhad, and the Federation of Livestock Farmers Association of Malaysia, witnessed by YB Simon Ooi Tze Min, Political Secretary to the Minister of Science Technology and Innovation Malaysia and Ministry of Agriculture, Food and Rural Affairs of Korea, Minister Chung Hwang-keun. The collaboration is expected to facilitate knowledge sharing, review of best practices, and identification of joint business opportunities.

Food Systems Change Makers Award Ceremony

About 20 remarkable individuals have been honored with the prestigious "Food Systems IMPACT CHANGE MAKER 20 under 40 awards" at 'The Future of Food & Agriculture'. Comexposium Malaysia received the Food Systems Change Maker Award. The award was given in recognition of Comexposium's exceptional contributions in driving change in Malaysia's food systems to improve food security, sustainability, youth empowerment, and social development for the benefit of current and future generations.

FDM Cuisine Demo

A delightful cooking demonstration by celebrity Chef Jasbir Kaur, renowned as the "Spice Queen" and a Top 3 Finalist of Masterchef Asia Season 1 (2015), who showcased a tantalizing array of local cuisine and thought-provoking insights.
