Take Your Export Promotion to New Heights with IMEX Management

Satisfying the needs of our exhibiting companies is priority #1. We select the most reputable food industry events in the world, make them accessible to North American exporters, and deliver a seamless, stress-free, and cost-effective USA Pavilion experience.

Whether you're new to exporting or a seasoned, well-traveled veteran, IMEX will assist you throughout the entire exhibiting process: preparation, on-site execution, and post-show.
