An exhaustive offering targeted around
5 hubs of expertise:

Earthmoving, demolition and transportation

- Accessories, components and parts for earthmoving and transportation
- Machinery & equipment for earthmoving and civil engineering
- Machines for demolition, environment & recycling
- Vehicles and equipment for material transportation
- Vehicles for people carrying .

Lifting & handling

- Accessories, components, parts for lifting & handling
- Material handling

Roads, Minerals & Foundations

- Accessories and components for roads, minerals and foundations
- Equipment and machinery for road infrastructure
- Machines and equipment for minerals industries
- Drilling, boring, special foundations, trenching machines
- Topography, engineering, automatic systems

Buildings, civil engineering & concrete sector

- Concrete industry
- Accessories, components, parts for buildings
- Formwork, scaffolding and shoring
- Site machinery and tools
- Materials for building and construction

New technologies & New energies

- Augmented reality
- Mobile applications
- Drones
- 3D printing
- BIM
- Virtual engineering
- New and renewable energies: electric, hydrogen, natural gas
- Internet of Things (IoT)
- Energy storage
- Decarbonisation solutions
- Engine retrofitting
- Autonomous vehicles
- etc.

MAT.**

HIGHLIGHTS

#INDUSTRY

An area dedicated to the European industry

The crossroads for European federations in the construction sector

A forum with a programme of round tables offering solutions in response to the big issues in construction.

Shared perspectives from leading French and European speakers.

200

WOCE
EXHIBITORS

#CONCRETE SECTOR

4th EDITION

THE EUROPEAN TRADESHOW FOR THE
CONCRETE SECTOR

Chat and network around the new challenges in the
concrete sector.

An area designed around the triple approach
of:

EXHIBITORS

Offering a range of
sector-dedicated
solutions.

CONCRETE DEMO

An area devoted to the
demonstration of new
applications, solutions
and technologies.

FORUM

A forum with nonstop
speaking opportunities
on the new issues
facing the sector.

The entire concrete sector represented at

- Concrete industry, other equipment and machinery
- Facilities and machinery for concrete production
- Facilities and machinery for pre-cast concrete
- Materials for concrete
- Equipment and machinery for special and decorative concrete
- Equipment, delivery and laying of ready-mixed concrete
- New technology, services and engineering for concrete

CF facts & figures

Concrete sector company activity sectors

#CONCRETE DEMO

AN OUTDOOR “CONCRETE DEMO”
AREA.

IN AN OUTDOOR ZONE:

non-stop features dedicated to concrete product applications
(presentation of decorative concrete, demonstrations of tools, equipment,
know-how and innovation).

DEMONSTRATIONS

for features on
applications, finishing
and decorative
concrete.

#FORUM

A LIVE CONTENT PROGRAMME
ENTIRELY DEDICATED TO CONCRETE,
THE MATERIAL AND ITS VARIOUS
APPLICATIONS

Sessions hosted by **well-known experts and speakers** from
the concrete sector, construction, public works or
bricklaying, members of federations and the largest
European companies in the industry.

#DEMO

The demo zone

THE ART OF SHOWCASING
CONSTRUCTION EQUIPMENT AND
MACHINERY.

INTERMAT DEMO

is one of the headline attractions of the show, with a unique outdoor demonstration zone where exhibitors show off their equipment and machinery in real life operational conditions.

INTERMAT 2024 pictures

#INTERMAT INNOVATION AWARDS

An international showcase for innovations in the construction sector

The **INTERMAT Innovation Awards** distinguish the equipment, technology, services, solutions and products that contribute to progress in the construction, infrastructure and materials industries and to accomplishing the sector's big transitions.

A French and international jury of users and experts including: Equipment directors, Technical directors, Research and Innovation directors, CSR directors, etc.

Unique visibility before and during the show, where innovation will be showcased to enable people to discover the sector's latest technological developments.

10th EDITION

Deadline for entries: October 2026

#START-UP VILLAGE

THE START-UP VILLAGE

aims to shine a light on the latest technological solutions addressing the challenges of decarbonisation and digitalisation in construction.

A true springboard to **accelerate innovation in construction** and enable young companies to emerge among the leading names, to enable visitors to discover **tangible solutions that address current construction issues** but also spot the **technologies and the practices of the future.**

Non-contractual visual

#PRESSDAY

INTERMAT Press Day

YOUR MEETING WITH THE INDUSTRY'S
INTERNATIONAL MEDIA IN JANUARY
2027

Ahead of the show present your new solutions and latest developments to the global trade and business media.

Workshops and interviews between exhibitors and journalists.

Networking evening.
