WHY PARTICIPATE AT MEOS

For 40 years, MEOS has been the platform where the region's oil and gas companies gather to learn about the advancements in the industry as well as source services and solutions that will improve their business.

Under the patronage of HRH Prince Khalifa bin Salman Al Khalifa Prime Minister of the Kingdom of Bahrain, hosted by the National Oil and Gas Authority, and chaired by Aramco and co-chaired by Eni, MEOS is uniquely positioned as the most influential oil and gas event in the region.

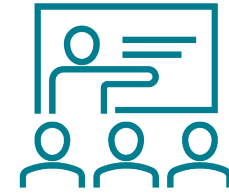

- Attended by every oil producing state in the region, the exhibition attracts specialised businesses and some of the oil & gas industry's largest corporations
- Organised by the Society of Petroleum Engineers (SPE), the parallel conference is the most respected of its kind in the region - high quality technical presentations focused on Middle East issues ensure that the quality of delegates is exceptional
- Position your company amongst the foremost organisations in the oil and gas sector
- Showcase your products and services to a targeted, high quality audience, maximising brand exposure and potential sales
- Gain access to key industry decision makers and opinion formers, and network with potential partners and customers
- Be part of a community committed to cutting-edge innovation and thought leadership to help grow your business
