SHAPING THE REGIONAL
INNOVATION HUB
FOR SUSTAINABLE MOBILITY

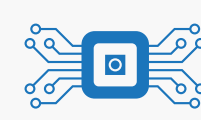

DRIVING CLEAN MOBILITY OPPORTUNITIES ON ASIA'S PATH TO NET ZERO

MobilityTech Asia - Bangkok (MTAB) represents a bold new chapter in mobility innovation, positioning itself as the regional hub for sustainable mobility and Asia's leading platform for advancing transportation technologies, evolving from a decade of success as Electric Vehicle Asia (EVA). As Asia's premier EV trade exhibition, supported by a strong, enduring partnership with the Electric Vehicle Association of Thailand (EVAT). Serving as a central hub for the future mobility ecosystem, it highlights advanced technologies, including AI-driven transportation, intelligent infrastructure, Advanced Driver Assistance Systems (ADAS), and sustainable urban transport. By uniting policymakers, urban planners, tech developers, and service providers, MTAB fosters collaboration and innovation to reshape Asia's mobility landscape.

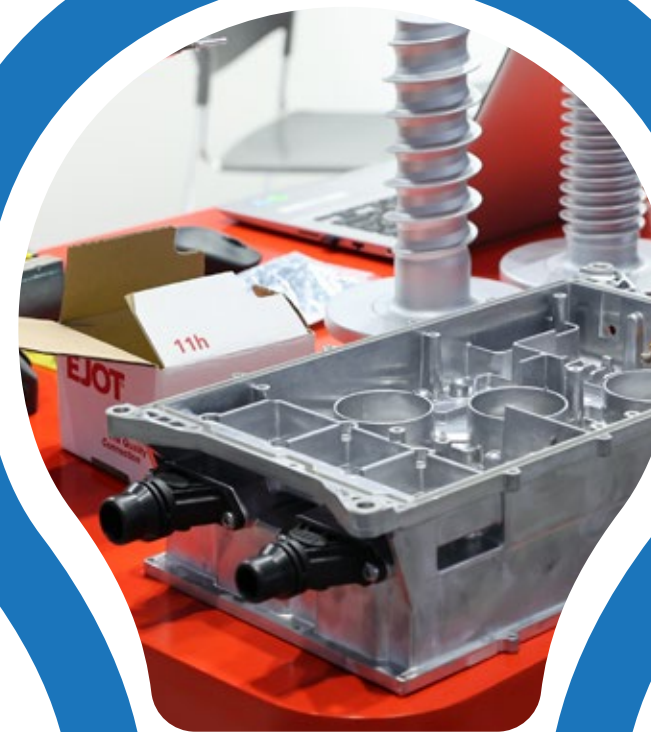

Premier Platform for Sustainable Mobility:

Gain visibility at the leading event dedicated to shaping the future of eco-friendly transportation in Asia

Unleash Your Tech and Innovations:

Gateway to launching your groundbreaking technologies and solutions that are set to transform the mobility landscape

Center Hub for Future Mobility Manufacturing:

Integrate all facets of the mobility supply chain, from manufacturing to end users

Forge Connections with Global Mobility Buyers:

Exclusive opportunities to connect with potential buyers in the global mobility community

Engage with Influential C-Level Executives:

Network with top executives, paving the way for strategic partnerships

SHAPE TOMORROW'S MOBILITY LANDSCAPE AT THE REVOLUTION CONFERENCE

The 10th International Electric Vehicle Technology Conference and Exhibition (iEVTech 2025), organized through a decade-strong collaboration between the Electric Vehicle Association of Thailand (EVAT) and Informa Markets, leads the charge in advancing clean and sustainable mobility while positioning Thailand as a regional hub for innovation in future transportation solutions

This milestone event reflects the synergy between EVAT's expertise in mobility innovation and Informa Markets's global event leadership, creating a premier conference platform that brings together global experts and leading companies to share insights, showcase cutting-edge advancements, and explore opportunities beyond the EV value chain. Under the theme **“Mobilize to Globalize: Innovative Supply Chain and Technology for Sustainability,”** iEVTech 2025 focuses on achieving Net Zero Emissions, showcasing Thailand's strategic advantages, and fostering connections to shape the future of clean and intelligent mobility.

ENHANCE OPPORTUNITY WITH

SPEAKING OPPORTUNITY AT INNOTECH STAGE:

A dynamic hub for industry leaders, academics, and innovators to share breakthrough technologies, collaborate on solutions, and shape the future of clean and sustainable mobility

EXCLUSIVE BUSINESS MATCHING WITH ASEAN DELEGATES AND HOSTED BUYERS:

Seize the opportunity to connect with influential ASEAN delegates and hosted buyers, forging strategic partnerships and unlocking new growth potential in the clean mobility sector
