

## U.S. EXHIBITOR DIRECTORY

### North American Neighbors 2023

December 5-7, 2023

Dear Participating Canadian Companies,

We would like to extend a warm welcome to our Virtual Market Showcase: “Canada: North American Neighbors.” Our goal is to help you establish contacts with U.S. exporters of consumer-oriented foods, including bakery goods, condiments, dried, fresh, frozen, or refrigerated foods, shelf-stable products, snacks, and much more.

During the Virtual Market Showcase, you will have the opportunity to meet one on one with established U.S. exporters through virtual business-to-business meetings, as well as an opportunity to receive samples from exporting U.S. companies. On this online platform you will be able to learn more about the U.S. suppliers participating in this event and their food products. The USDA Foreign Agricultural Service and our partners have consulted with each of the U.S. exporting companies to give them an overview of the Canadian market, including an overview of what it takes to be successful in Canada. We are confident the companies understand the complexities of exporting to Canada, and they are prepared to have constructive business meetings with you and your company.

Please free to submit questions to [kboyce@boycemarketing.com](mailto:kboyce@boycemarketing.com) or contact Kathy at 416-523-1470.

Thank you, and we look forward to your participation.

Sincerely,

**Tyler Babcock**
