MARKET FACTS

- 8,500+ business meetings were held at OGA 2019, resulting in business partnerships and transactions estimated around RM 2.2 billion.
- At least 1,000 Petronas affiliates registered as visitors for OGA 2019. This is the best opportunity to connect with the region's biggest player.
- Malaysia has a total of seven basins, of which only two are currently being used while the remaining five have yet to be explored. All of this to say, there is work to be done!

I am confident that OGA will play a vital role in the advancement of the Malaysian oil & gas industry, cementing our position further as an oil & gas leader in Asia.

- Honorable Mr. Lim Guan Eng, Minister of Finance, Malaysia
