2nd Petrochemicals Sustainability Conference 2024

The two-day event hosted over 50 speakers and 628 delegates from the region to drive discussions on climate-related topics and facilitate conversations on how the regional petrochemical industry can contribute to global net-zero ambitions across the supply chain.

YB Senator Tengku Datuk Seri Utama Zafrul Tengku Abdul Aziz, Minister of Investment, Trade and Industry, marked the opening by launching the Circular Economic Policy Framework for the Manufacturing Sector, providing delegates advance access and exclusive insights into the policy and how it will shape the future of the sector in Malaysia.

The Malaysian Oil, Gas & Energy Services Exhibition & Conference

"There is so much positivity in the industry, market capitalisation is improving, oil and gas stocks are starting to pick up and the cumulative profitability of service companies is improving."

Ts. Syed Saggaf Syed Ahmad

President, Malaysian Oil, Gas & Energy Services Council (MOGSC)

Celebrating Malaysia's OGSE legacy of half a century, MOGSEC featured the OGSE-SME Pavilion, Innovation Pavilion, and Decommissioning Pavilion, highlighting the capabilities and resilience of local companies.

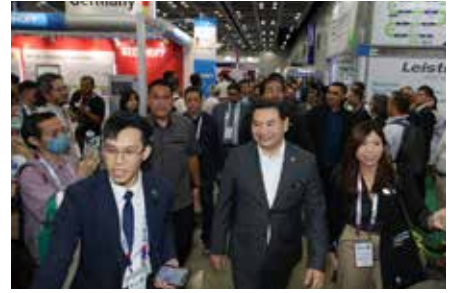

The MOGSEC Knowledge Centre hosted two ministerial fireside chats with Economy Minister YB Rafizi Ramli, and Minister of Natural Resources and Environmental Sustainability YB Nik Nazmi Nik Ahmad on Malaysia's sustainability agenda.

HIGHLIGHTS

OPENING CEREMONY

“

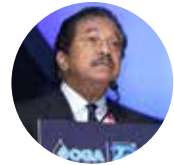

It's about phasing down - not completely phasing out - our reliance on fossil fuels. Any report will show you that the global energy mix in 2050 will still contain fossil fuels. Malaysia's own projections show oil and gas will still be 77% of our primary energy supply.”

YB Tuan Mohd Rafizi Ramli
Minister of Economy, Malaysia

“

The robust turnout is testimony that OGA remains an effective and all-inclusive platform for market players and professionals to redefine the future of energy. Together with our partners, we are shaping a statement for Southeast Asia on the global stage.”

Tan Sri Abdul Rahman Mamat
Chairman, Informa Markets Malaysia

“

OGA 2024 is more than just a conference - it is a platform where ideas are shared, partnerships are forged, and solutions are born. Let us harness the strengths of all of us here, intensify our synergy and push boundaries, to not only embrace challenges ahead but to also stand at the forefront in driving a just energy transition for a sustainable future.”

Ir. Mohd Yusri Mohamed Yusof
Senior Vice President, Project Delivery & Technology, PETRONAS

SPEAK OGA

Over 40 industry senior executives took to this open stage on the exhibition floor to share insights on enhancing plant operations, navigating policy-driven transformations and exploring integrated emission solutions to strengthen environmental performance.

MyWie: Fuelling Women in Energy

The Malaysia Women in Energy (MyWiE) session, hosted by the Malaysian Gas Association (MGA), spotlighted the significance of empowering women and fostering inclusivity within the energy sector underscoring the vital role of women in shaping the energy industry.

"It is also important to recognise the public-listed companies among the top 26 OGSE firms that have reached 30% women's representation on their boards. These figures remind us that diversity is not just a box to check but a critical factor in fostering stronger governance and more inclusive leadership."

YBhg. Datuk Dr. Yatimah Sarjiman
Deputy Secretary-General (Sectoral),
Ministry of Economy, Malaysia
