Discovering Opportunities at Oil & Gas Indonesia 2025!

Oil & Gas Indonesia 2025, Southeast Asia's premier international exhibition dedicated to the oil and gas industry will be back for its 16th edition from September 17 to 20, 2025. As Indonesia remains a key player in the global energy market, this event will gather industry leaders, innovators, and policymakers to explore the latest developments and future trends.

In 2025, Indonesia's oil and gas sector will remain central to its economic growth, contributing significantly to government revenues, export earnings, and job creation. As of 2023, the oil and gas industry was a crucial contributor to Indonesia's GDP, reinforcing its importance as the country works toward energy independence and economic resilience (PwC).

Developing Sustainable Oil & Gas Industry

This event will showcase the latest innovations, including digitalization, automation, and carbon capture technologies, which are designed to reduce environmental impacts while maintaining energy efficiency. Participants will also explore how Indonesia is integrating renewable energy into its energy mix while ensuring a stable and sustainable oil and gas industry.

Oil & Gas Indonesia 2025 offers an unparalleled platform for industry stakeholders to connect, collaborate, and drive innovation. This event provides valuable networking opportunities, strategic partnerships, and market insights to position your business at the forefront of the industry's transformation.
