2023 EDITION AT A GLANCE

The world's biggest and most influential event on urban innovation. A massive gathering of companies, governments and organizations to move cities towards a better future.

- Government pavilions from 30 different countries showcasing at the Expo.
- World Smart City Awards – 411 top-level proposals received from 63 countries. Curitiba was recognized with the 2023 City Award. Other winners came from Romania, Morocco, Finland, Saudi Arabia, France, Turkey, USA, The Netherlands or Korea.
- 2023 Digital Program: More than 35 hours of live streaming via Tomorrow.City
