“The biggest value of SCEWC is face-to-face exchange: sharing challenges, learning from each other and creating relationships that last beyond the event.”

Paddy Flynn

Vice President Google Maps, Strategy, Execution and Operations.

“SCEWC is, for us, the number one event in the public sector. It’s really a flagship event because we think the audience fits our needs and purpose, and we’re very excited to be at the event.”

Philippe Rogge

Worldwide Public Sector Lead

“Smart City Expo World Congress brings together smart city professionals to share all kinds of experiences and learn from each other. It’s awesome.”

Michael Flynn

Global Infrastructure Transport and Regional Government Leader.

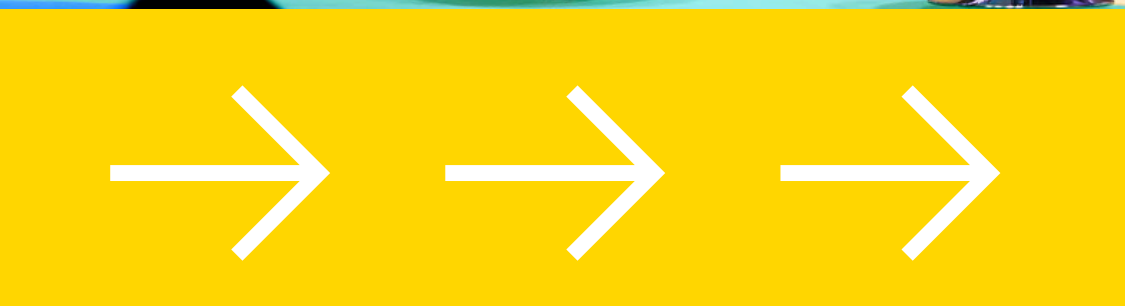

“KPMG is very pleased to be at SCEWC in Barcelona, and to contribute to this global movement as no country, region or city can act alone.”

Dean Grandy

Global Digital Government Lead Partner.
