

VIV ASIA 2021
BANGKOK, THAILAND
22-24 SEPTEMBER

ADDENDUM TO THE VIV ASIA 2021 TERMS AND CONDITIONS; D.D. OCTOBER 07, 2020

COVID CLAUSE

VNU Exhibitions Europe hereby ensures that the following addendum clause is applicable to all exhibitors that have signed up for the VIV Asia 2021 participation before March 1st 2021.

It is possible that your participation in VIV Asia, for the period September 22-24 of 2021, may not take place, for example due to a sudden ban by the government in connection with COVID-19 or a postponement by VNU Exhibitions Europe due to uncertainties with regards to COVID-19. Whether or not the event can take place is at the sole discretion of VNU Exhibitions Europe. Needless to say that VNU Exhibitions Europe will proceed on the basis of the local government's rules that apply from time to time, but in the event of uncertainty VNU Exhibitions Europe is always entitled to cancel or postpone the exhibition without being held accountable for additional cost or damages. In that case VNU Exhibitions Europe will exceptionally, contrary to the applicable general terms and conditions, refund the already paid participation fee. A voucher can also be provided upon request, which you can use for a reservation of the next scheduled exhibition date for VIV Asia. It is possible that VNU Exhibitions Europe has incurred operating costs in the meantime, for example catering, logistics, stand construction or the purchase of certain items that can no longer be returned. Unfortunately, we will have to invoice these costs to you, whereby we will of course try to limit such costs as much as possible.
